In the case where a company has incurred accumulated loss, no dividends shall be paid. In addition, Public Limited Companies Act, B.E. 2535 (1992), Section 116 and Article 54 of the Company's Articles of Association, stipulate that the Company is required to allocate part of the annual net profit as reserve fund of not less than five (5) percent of the annual net profit deducted with the accumulated losses (if any) until this reserve is not less than ten (10) percent of the registered capital.

(Translation)

Moreover, as per the Company's dividend policy, the dividends shall be paid to shareholders with the amount not less than 40 percent of net profit from the separate financial statement after deduction of taxes, legal reserves, and other reserve (if any). Comparison of dividend payments from operating performance of 2024 and 2025

(Unit: Baht)

Dividend Rate per Share (Baht: Share)	-	-
Total Dividend Payment	Omitted	Omitted
Proportion of Dividend Payment to Net Profit (Percentage)	-	-
Remarks: <i>The Executive Committee considered appropriate that, pursuant to Section 116 of the Public Limited Companies Act B.E. 2535 (1992), the Company is required to allocate a portion of its annual net profit as a legal reserve at a rate of not less than five percent (5%) of the annual net profit, after deducting any accumulated losses brought forward (if any), until such reserve accumulates to at least ten percent (10%) of the Company's registered capital. Such legal reserve cannot be distributed as dividends. In this regard, the calculation of dividend payment is based on the net profit from the separate financial statements. (In the case where the Company still has accumulated losses, no dividend shall be paid.) For the operating results of the year 2025, the Company recorded a net profit of Baht 21,878,544, from which a legal reserve of Baht 1,400,000 (equivalent to 6.4% of the annual net profit) is required to be appropriated. Based on the Company's dividend policy of not less than 40% of net profit, the remaining amount available for consideration of dividend payment for the year 2025 would be Baht 20,478,544. However, after careful consideration the Company's cash flow position and the necessity of retaining funds for business operations, the Executive Committee has deemed it appropriate to propose to the Board of Directors to consider the omission of dividend payment for the year 2025, in order to retain such funds as working capital for the Company's operations, and to further propose the matter to the 2026 Annual General Meeting of Shareholders for approval.</i>		

Board of Directors' opinion: The Board deemed appropriate to propose to the 2026 Annual General Meeting of Shareholders to approve the allocation of the net profit as a legal reserve of 1,400,000 Baht, equivalent to 6.4% of the net profit for the year, in compliance with legal requirements. The allocation will increase the Company's total legal reserve to 58,900,300 Baht, representing 7.3% of the registered capital. In addition, the Board proposes the omission of the dividend payment for the year 2025 to retain as working capital of the Company.

Agenda Item 4 To approve the appointment of the external auditor and determination of the audit fee for 2026

Preamble: Public Limited Companies Act, B.E. 2535 (1992), Section 120 and Article 59 of the Company's Articles of Association stipulate that the external auditor shall be appointed by the Annual General Meeting of Shareholder annually. The Shareholders' Meeting may re-elect the auditors to retain their office and determine the appropriate audit fee. Furthermore, according to the regulations of the Securities and Exchange Commission (SEC), the appointment of the same auditor is permissible only if the auditor has reviewed, audited, and expressed an opinion on the Company's financial statements for no more than seven fiscal years, whether consecutive or not.

Audit Committee considered it appropriate to propose to the Board to propose to the Meeting of Shareholders to consider and appoint the auditors from EY Office Limited as the Company's external auditor for the year 2026. Independence, knowledge, and experience, as well as the understanding of the nature of business are taken into consideration, in which such would accelerate and enhance the auditing and reviewing process, ensuring the financial statements are certified on schedule. Additionally, the proposed audit fee is reasonable given the scope and load of work. The Audit Committee, therefore, proposed the appointment of auditors from EY Office Limited and recommends that one of the following individuals be appointed as the Company's external auditors to express an opinion on the financial statements for the fiscal year 2026.

In addition, EY Office Limited and the auditors listed above have no personal relationship and/or conflict of interest with the Company, subsidiaries, executives, major shareholders and any of their related persons; therefore, this allows independence in auditing and expressing his/her opinion on the Company's financial statements. However, in the case that the mentioned auditors are unable to perform their duties, EY Office Limited may be responsible for selecting other auditors to perform the auditing work in their place. List and profiles of external auditors are as detailed in Enclosure 2

Agenda Item 5 To appoint directors to replace those retired by rotation

Preamble: Public Limited Companies Act, B.E. 2535 (1992), Section 71 and Article 18 of the Company's Articles of Association stipulate that at an Annual General Meeting of Shareholders not less than one-third (1/3) of the number of the directors shall retire by rotation. If the number of directors to retire by rotation cannot be divided into three, the number closest to one-third (1/3) shall retire. The directors to retire in the first and second years following the registration of the company shall be decided by drawing. The directors who remain longest in the office shall retire. However, a retiring director is eligible for re-election.

(Translation)

In 2026, there are 4 directors who are due to retire by rotation for the Annual General Meeting of Shareholders for 2026 as follows:

List of directors	Current positions in the Board
1. Mr. Boonthep Nanegrungsunk	Chairman of Audit Committee Independent Director
2. Mr. Jumpot Kanjanapanyakom	Chairman of Nomination and Remuneration Committee Independent Director
3. Mr. Thanapat Pupat	Member of Nomination and Remuneration Committee Member of Audit Committee Independent Director
4. Mr. Chaiwut Jumngsutathien	Member of Audit Committee Independent Director

Mr. Jumpot Kanjanapanyakom, director who are due to retire by rotation have declared his intention not to be re-elected as director for another office term.

The Company offered its shareholders the opportunity to nominate qualified persons to be elected as directors between January 15 to February 23, 2026. The criteria and procedures for nomination have been published through the Company's website. Neither the proposed agenda item, nor director nominees have been sent to the Company as of now.

Nomination and Remuneration Committee, exclusive of those with interests on this agenda item, considered and propose to the Board of Directors to propose to the Annual General Meeting of Shareholders the re-appointment of 3 retiring directors: (1) Mr. Boonthep Nanegrungsunk, (2) Mr. Thanapat Pupat and (3) Mr. Chaiwut Jumngsutathien to retain their office for another term. This proposal is based on the view that all three individuals possess qualifications appropriate to the Company's business operations, as well as knowledge, capabilities, experience, and expertise in relevant fields that are beneficial to the Company. They have also performed their duties as directors effectively during their previous terms. In addition, consideration has been given to the overall composition of the Board of Directors, which reflects a diverse range of expertise aligned with the Company's strategic direction.

In this regard, Mr. Boonthep Nanegrungsunk and Mr. Thanapat Pupat are independent directors who are being nominated to continue serving as independent directors for a period exceeding nine consecutive years. Nevertheless, the Nomination and Remuneration Committee has carefully and reasonably assessed their independence and the necessity of their continued service, and is of the opinion that both directors are still able to provide independent opinions and perform their duties in compliance with applicable regulations. Their knowledge and expertise continue to be of significant benefit to the Company's operations.

As for Mr. Jumpot Kanjanapanyakom, another director who is due to retire by rotation, he has expressed his intention not to seek re-election for another term. Therefore, the Nomination and Remuneration Committee has resolved to propose to the Board not to appoint a replacement director at this time. The Committee will consider the qualifications and capabilities of a suitable candidate to replace the outgoing director as appropriate and will propose such candidate to the Board for further consideration and approval.

The Nomination and Remuneration Committee therefore proposes that the Board consider submitting to the Shareholders' Meeting for approval the re-appointment of the following three directors to serve another term:

2. Mr. Thanapat Papat	Law
3. Mr. Chaiwut Jumngsutasathien	Accounting and Finance

Profiles of Directors Nominated for the Company's Director and the Definitions of Independent Director are as Enclosure 3

Board of Directors' opinion: The Board, exclusive of those having a vested interest in this matter, has considered and determined that the nominated individuals have undergone the company's prescribed selection process, met the relevant regulatory requirements, and are suitable for the Company's business operations. Furthermore, the individuals nominated as independent directors meet the legal requirements for independent directors. They are able to express their opinion independently and in compliance with the relevant criteria, and do not hold any position as directors or executives in other businesses that may give rise to a conflict of interest with the Company. Therefore, the Board agreed with the proposal of the Nomination and Remuneration Committee and considered appropriate to propose to the Annual General Meeting of Shareholders to approve re-election of 3 directors due to complete their terms in 2026 to retain their office for another term as follows:

- 1) Mr. Boonthep Nanegrungsunk to serve his position for another term
- 2) Mr. Thanapat Papat to serve his position for another term
- 3) Mr. Chaiwut Jumngsutasathien to serve his position for another term

The Board also resolved not to appoint a replacement for Mr. Jumpot Kanjanapanyakom, whose term of office has expired.

Voting Requirement: This agenda item requires a majority vote of Shareholders who attend the meeting and cast their votes. The appointment shall be made on an individual basis.

Agenda Item 6 To approve the remuneration of directors and subcommittees' directors for 2026

Preamble: Public Limited Companies Act, B.E. 2535 (1992), Section 90 and Article 33 of the Company's Articles of Association stipulate that director's remuneration depends upon the Meeting of Shareholders' consideration.

Nomination and Remuneration Committee has considered the appropriateness of directors' remuneration structure prudently with the suitability of the existing criteria, compared with the remuneration structure of other companies in the same industry, as well as good corporate governance in compliance with duties and responsibilities of directors. Therefore, the committee considered appropriate to propose the directors' remuneration for 2026 in the amount not exceeding Baht 5,800,000 (at the same rate as approved in the previous year). The remuneration is divided into 2 sections: monthly remuneration for directors of Baht 3,204,000 and attendance fees of Baht 2,596,000. The details are as follows:

8.2 Feasibility of the use of Proceeds from the Capital Increase and the Sufficiency of Funding Sources

The Board of Directors has considered the feasibility and rationale of the capital utilization plan and the adequacy of funding sources for this capital increase. The Board considered that the Company's use of proceeds' plan is reasonable and beneficial to both the Company and its shareholders in the future. This capital increase allows the Company to raise funds within a short period, reduce the financial burden on existing shareholders, and enhance the success rate of fundraising. This will enhance financial flexibility, allowing the company to undertake future projects. Therefore, the capital increase is not expected to negatively impact the company's business operations, financial position, or performance, provided that the funds raised are utilized according to the objectives outlined in 5.

8.4 Appropriateness of the Price of Newly Issued Shares to be Offered to Investors and the Basis for Determining the Offering Price

The offering price of newly issued ordinary shares will be the most favorable price in response to the market price at the time of private placement to ensure best interest of the Company's shareholders. Moreover, such price is not less than 90 percent of the market price of the Company's shares, which is generally permitted when the company has complied with the rules according to the Notification of the Capital Market Supervisory Board No.Tor Jor. 28/2565 regarding the granting of permission for listed companies to offer newly issued shares through a private placement ("Notification Tor Jor. 28/2565"). The market price for the issuance of newly issued ordinary shares for allocation to specific persons (Private Placement) above is calculated from the weighted average price of the ordinary shares of the company traded on the Stock Exchange of Thailand ("SET") for the past 15 consecutive business days prior to the date of the Board of Directors meeting or a person assigned by the Board of Directors determine the offering price of newly issued ordinary shares (which will take place after the shareholders' meeting has approved the transaction).

8.5 Reasons and Necessity for the Offering of Newly Issued Shares to Investors

The Board of Directors considered the reasons, necessity, and benefits of issuing and allocating newly issued ordinary shares under a General Mandate compared to a capital increase through a public offering, which requires a lengthy approval process from relevant authorities and is subject to an uncertain timeline, the Board of Directors believes that issuing and offering newly issued shares under a General Mandate to private placement investors is a more efficient approach. This method targets investors with strong financial capabilities and readiness to provide capital, aligning with the objectives of this capital increase. It ensures that the Company receives the required funds within a short period.

9. Certification of the Board of Directors

The Board of Directors certifies that it has performed its duties with honesty and care to protect the interests of the Company in matters related to the issuance and offering of newly issued ordinary shares to specific persons (Private Placement). The Board has carefully examined the information of the investors and deems that they have the potential to invest.

However, if shareholders believe that any director has not performed their duties with honesty and care in protecting the interests of the Company in this matter, and this has caused damage to the Company, shareholders may file a claim for damages against that director on behalf of the Company under Section 85 of the Public Limited Companies Act. Furthermore, if the failure to perform such duties results in undue benefits to the director or related persons, shareholders may exercise their rights to claim the return of those benefits from the director on behalf of the Company under Section 89/18 of the Securities and Exchange Act B.E. 2535 (including amendments).

In addition, the Board of Directors shall review the shareholding of the investors who will be allocated with the newly issued shares, both before and after the allocation, ensuring that none of the allocated shareholders will become a major shareholder, as defined in the Notification of the Securities and Exchange Commission No. KorJor. 17/2551 Re: Definitions in Notifications Related to the Issuance and Offering of Securities (including amendments). Furthermore, there is no current plan to appoint these individuals as directors or executives of the Company. However, if in the future the shareholders who have been allocated the newly issued shares wish to propose themselves as directors or executives of the Company, the Company will follow the relevant regulations to ensure compliance with good corporate governance practices. Additionally, such individuals will be required to resolve any conflicts of interest (COI) before assuming their positions and/or establish sufficient and appropriate measures to eliminate or prevent COI until it is fully resolved.
